

Rascal 388s - Medium Scooter

The redesigned Rascal 388 from Electric Mobility is the perfect scooter for taking you out and about in comfort and style in the same vein as the XL just 4mph.

The Rascal 388 combines safety with performance and the recent refinements have put this scooter in a class of its own. The new look Rascal 388 features a luxurious Captain's seat, lift-up arm rests with adjustable width, a 5-position adjustable tiller and lift-up tiller head for easy access. It can also be dismantled for transportation ensuring you are never without your favourite Rascal.
